HOVER CRAFT – DESIGN YOUR OWN VEHICLE

7-12 yrs / 1 wk starting Jul 15 / \$189

Do you want to create, design and build things? Don't want a purchased model? Then come and build (and keep) an air-powered Hover Craft. Make it defy gravity, control its direction and use your creativity. Build and take home your own car that is powered by more than one source of energy. This can be one crazy-looking vehicle. We provide you with many materials. Build an Egg Drop Car designed to cushion a raw egg dropped from a high height. In these three challenges, learn about Newton's laws of motion, energy, air pressure, friction, lift, speed and acceleration. Register for *The Ultimate Experience* ([RP1701.401](#)) and Lunch Option ([RP1769.401](#)) to make a full day. Aftercare through *Kidz Pick Plus* (register for [RP1805.414](#)).
